QUALIFICATIONS

I am seeking admission to the MFTA Program on the basis of my having

- technical analysis certification other than CFTe (such as CMT, STA Diploma) PLUS three years experience as a technician
- financial certification other than CFTe (such as CFA, CPA, MBA) PLUS five years experience as a technical analyst
- a minimum of eight years experience as a technical analyst
- I do not fall exactly into one of the above categories, but feel that I am equally qualified. (Please attach a letter and/or supporting documentation.)

PUBLICATION AGREEMENT

Copyright of all submitted papers is in accordance with the *IFTA Journal* Author's Grant of Rights.

The following is an agreement between

author(s) and the International Federation of Technical Analysts, Inc., publisher, concerning

a work written by the author(s).

Author's Grant of Rights

The author(s) grants to the publisher exclusive first world-wide publication rights in the work, and further grants a non-exclusive license for other uses of the work for the duration of its copyright in all languages, throughout the world, in all media.

The publisher agrees to publish the article in the IFTA Journal and may publish it to the IFTA website.

The publisher shall include a notice in the work stating "Copyright [author(s)'s name(s)]. Readers of the article may copy it without the copyright owner's permission only if the author(s) and publisher are acknowledged in the copy, and copy is used for educational, not-for-profit purposes."

Author(s)'s Ownership of Copyright

Copyright in the work remains with the author(s).

Warranty of Authorship

The author(s) warrants to the publisher that the article is original and that he/she is the sole author(s) and has the full power to make this agreement. The author(s) indemnifies the publisher against any losses and other expenses, including reasonable attorney's fees, after final judgment of any claim or action against any or all of these warranties

Publication Agreement

A copy of the Publication Agreement signed by the author(s) must accompany each submitted paper.

Creative Commons License

Submitted paper may be published to the IFTA website. The publisher, therefore, requires that the author(s) place his/her submission under the Creative Commons License Attribution-NonCommercial 3.0 (<http://creativecommons.org/licenses/by-nc/3.0/>). Author(s) must include a statement with the submitted paper affirming that the paper is covered by this license. Should an author(s) choose a different licensing method, the author(s) must provide the publisher with information on the license at the time of submission.
